Mrs. John I. Mathews's beautiful home in

very pretty picture.

back voyage of three days and nights, arrived
here from Breathitt county this morning in

County Clerk Wood, they took passage for Ohio.

Lawyer John L. Chamberlain was as mad as
a wet hornet yesterday morning at the action
of some of the militiamen who had the night
before invaded his premises searching for an
absent member of the Company. In time of
peace soldiery has its limitations as well as all
other well-behaved citizens.

Lee Kwong is happy. Yesterday a dispatch
was received here stating that Mrs. Kwong was
at Cadiz, O., where the Robinson Amusement
Company is showing this week. On advice sent
from here she was placed in charge of an officer.
Lee sent his brother-in-law in haste to the Ohio
town to bring his recreant wife back. He sent
her word that he would receive her back with
open arms, and that the past should be a sealed
book.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on
publicity of all kinds—has the following
to say: "There are thousands of printers
in this country, good, indifferent, and a
lot of bad ones. There isn't one really
good printer in five hundred. Intelligent
advertisers are willing to pay for good
printing, no matter where it comes
from."

Printers' Ink knows what it is talking
about. Poor printing is a bad investment.
—It's worse than a blank. A business
man's stationery or booklet is like a
traveling man—if it's neat, well-dressed
and to the point, the first impression is
good and your chances of doing business
on the strength of it are good.

We realize this. We keep abreast of
the times. We know what good printing
is and produce it. We are pretty careful
not to let a bum job get onto our presses.
No press in the country can better our
printing and we want you to know it.

ASSESSMENT REDUCED

Final Action Taken by the State Board of Equalization

The State Board of Equalization a few weeks
ago raised the assessment of farm land in Mason
8% and town lots 4% above the report of the local
Assessors.

Tuesday Deputy County Clerk A. F. Wood,
Squire John Cochran and Assessor William H.
Hawes went to Frankfort to appear before the
State Board and have the assessment reduced.

In the final action the august body took 3%
from farm land, making the increase only 5%.

Assessor Hawes succeeded in having the 4%
raise on town lots wiped out entirely.

The reduction on farm land means a saving
of \$1,120 to the farmers of the county.

HEALTHY MOTHERS.

Mother should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Hoeschele's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectation easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. For sale by Henry W. Ray, Postoffice Druggist.

St. Louis Letter.

Correspondence Public Ledger.

St. Louis, June 20th, 1904.

Dear Tom: For fear the Maysville representatives for Kentucky at the Fair be too modest to speak of their parts, allow me to make some mention of them.

Governor Beckham chose wisely in selecting Cox and Wall.

After a noon lunch, I followed Mrs. O. and Mrs. A. T. Cox, who in company had preceded me some hours. That noon lunch was a mistake on my part, for I had hardly entered the Kentucky Building before I discovered Garrett and Will busy seeing that everyone was supplied with the fine dinner—old country hams, beaten biscuit, that are never made out side of Kentucky's Bluegrass region, salads, pickles, &c., &c., just such a spread as one encounters at the Germantown Fair, where everyone expects everybody else to eat with him; every good thing to eat and the most excellent coffee to drink. There were liquids other than coffee; numerous punch bowls large enough to take a bath in, and very numerous bottles, with Government stamps over the corks and appropriately labeled. A colored "gemman" with a spiral-shaped piece of hardware destroyed the stamps and extracted the corks with dexterity.

Tom, I was reminded of your experience recorded some time since in THE LEDGER, when just in from "the field" during the 60's, when you struck a buffet and cafe and gave your order for refreshments—the delay and difficulty you had in having the order filled, &c., &c. Had you run into the Kentucky Building all would have been serene.

Kentucky Day I swore fresh allegiance to my native state and blessed our Maysville representatives to the Fair.

At the reception in the evening, each one of the Governor's Colonels outshone even General Miles in the display of gold cord, shoulder straps, &c. Some of these gentlemen with eagles on their straps should practice in private carrying their swords. A novice is apt to get mixed up with such an ornament. A Colonel astride of his metal cased blade, a la boy on stick horse, is not free of the ludicrous.

This being a time of peace and plenty—to drink—the soldiery did not attract as did the bald heads and bare busts. I have no reference to Judge Wall. Mrs. O. borrowed my glasses as we with some friends were looking from a convenient balcony. I endeavoring to find a bald spot in Will Cox's head. No success, but he was all shaven and shorn, and without glasses I had no difficulty in seeing that he and the Judge were equally gallant in that assembly of remarkably handsome b. b's. I understand each of these gentlemen have arranged to bring some of their home ladies with them, when they come to "do time" at the Fair.

The following forenoon I had the good fortune to be with my friends until they left on noon train for home. Down town among others on whom they made brief but very pleasant calls, were Charles Fitzgerald who welcomed them

heartily, and another, Joe Maher, whom the younger generation know not, he having been a schoolmate of Esquire John Perrine, Perrine Law, et al of Tuckahoe. Later he lived in Washington where we all knew him and loved him. Joe is the most loyal Kentuckian and thorough American that lives. If a better man in every way lives, I have not found him.

Happy hours thus spent causes one to forget politics and all other ugly things; causes one to love their friends more and hate their enemies less.

"My Old Kentucky Home" as rendered at the Kentucky Building caused a moisture in my eyes that I am not accustomed to, nor ashamed of. I have not my more My Old Kentucky Home, but, good God! how I would like to have, even the humblest. Your friend, G. H. O.

MRS. MARGARET DIENER.

Mrs. Margaret Diener died at her home near Plumville yesterday afternoon at 3 o'clock after an illness of two months, aged 24 years.

Her maiden name was Margaret O'Donnell, Mrs. Eunice O'Donnell of Bridge street being an aunt. She was married in this city six years ago to Mr. Joseph Diener.

Besides her husband, she leaves a young babe not yet three years old.

The funeral will take place from St. Patrick's Church tomorrow morning at 9 o'clock after services by Rev. Father P. M. Jones.

Interment in Washington Cemetery.

ROBERT P. TAYLOR.

Robert P. Taylor, a former resident of this city, died yesterday at his home at Norman, Oklahoma.

He was a son of the late Dr. Nesbitt Taylor, and was 83 years of age.

His remains will be interred at Washington, reaching here probably on Saturday.

Cost of New Car Just Put in Service of the C. and O.

An idea of what it costs a railway company to maintain its rolling stock and replace unsuitable equipment may be gained from the cost of a magnificent new dining car which the Chesapeake and Ohio has just installed in Cincinnati-New York service.

The new diner, which is said to be the finest ever turned out by the Pullman shops, \$18,000, stripped.

The outfit of the silver service, table kitchen equipment, etc., cost an additional \$300, bringing the total cost of the car up to \$20,300.

There was put under this new dining every modern appliance known to give it smooth running qualities.

The interior of the car is finished in mahogany and the decorations are in green and gold. It is ventilated and cooled by means of heat some electric fans.

The pantry and refrigerator departments equipped with the new Bohn system of refrigeration, which keeps food lockers at an even temperature of about 36°.

Colonel Harry Talcott, Superintendent Dining Cars, and J. D. Potts, Assistant General Passenger Agent, had many visitors to inspect the new diner before leaving Cincinnati for its initial trip.
